

Our Service is Complete~

1 BATTERY SERVICE

The sort of service a battery delivers depends a good deal on the sort of service it receives. We are battery experts, and if you'll let us look after yours regularly you can just forget that such a thing as a battery exists.

2 VULCANIZING . . .

Here's where skilled labor and modern factory type equipment combine to do real salvage work. Sometimes a little job will mean a big saving, and whether it's big or little, every job we do is done in just the way to bring the best results in looks as well as wear.

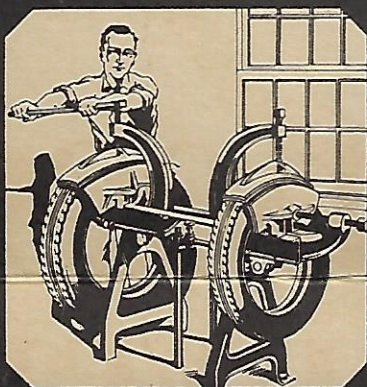

3 GAS AND OIL . . .

Regular, satisfied customers are what we are striving for and we want your business on the basis of deserving it. Our idea of service is doing the best we know how—and knowing how to do the best. Let us fill your tank and look after your lubrication—your satisfaction is our richest asset and we'll do everything in our power to earn it.
