HARDWARE SUPPLIES

COMBINATION SEASON - ALL DOOR

An outstanding value that you see once in a long, long time. Made from selected Ponderosa pine - 1-1/8" thick. Natural wood finish so it can be painted or stain finished. Door is fitted with unique knif-type locking device for holding glass section and screen section. When you want to change these sections you merely turn 4 screws, lift out the one section, install the other section, turn the 4 screws and the job is completed. No hard work of removing the entire door and hanging another one. Door is sturdily constructed. Cut oversize for perfect hanging. Take advantage of this great value and fit your home with a combination door today!
