Team and Auto Ccllide.

John Barnhart of East Donegal, met with a driving accident on the pike a short distance west of Florin on Sunday afternoon but fortunately no one was injured. He was going up the hill just east of Raymond's smithshop and met an automobile at the top of the hill. The team and the auto collided, the shafts of Barnhart's wagon were broken but there was no further damage.

**An Auto Accident.** ✕

Mr. Alwine, another gentleman and two ladies of Middletown, were going through Florin in an automobile Sunday and as they were going at a pretty lively clip when they crossed the crossing at J. S. Carmany's store, one spring was broken. This made the machine unmanageable and it ran into a tree at Gingrich's bakery. No one was injured but the auto was damaged considerably.
