**LOCAL BUSINESS STAND
WILL CHANGE OWNERS**

A deal has just been consummated whereby Mr. Howard Garber, on Donegal Springs street, will be the owner of the tire and accessory store owned and conducted by Mr. John Dillinger, in the Myers property on East Main street.

The change will be made Monday, August 4 when the new owner takes charge. The store will then be in charge of Mr. Melvin Weaver, of town.

The purchaser is the county distributor for Goodrich tires and has a place of business at Lancaster. The local store will be one of his branches.

Mr. Dillinger has not yet decided as to his future vocation.

Two Surprises

THE LOW PRICE THE LONG MILEAGE

This is the Goodrich Cavalier . . . amazingly high quality at low prices.

Mean that? Of course we mean it! Match any tire with a Cavalier and you'll find it costs more. . . . That's because Cavaliers are made by Goodrich to Goodrich standards. . . . Bigger in cross section . . . weltless cord carcass . . . slow wearing tread compound . . . and the whole tire water cured for toughness . . . all the way through. . . . And still they cost less. Come in . . . convince yourself . . . we have your size and two sizes for trucks.

I agree

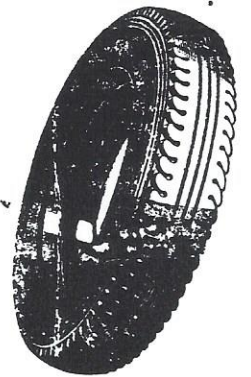

- 1 To drive at speeds in keeping with the safety of others as well as myself.
- 2 To keep on the right side of the road, except when passing.
- 3 To pass only when I know there is ample time and space—never on blind curves or when nearing the crest of a hill.
- 4 To go through intersections only when I have the right of way.
- 5 To observe all traffic signals.
- 6 To give signals myself that can be clearly seen and understood, before turning or stopping in traffic.
- 7 To drive only when in full possession of my faculties.
- 8 To keep my brakes, lights, and horn in good condition.
- 9 To operate my car on tires which assure a positive grip on the road—safe traction—and freedom from hazardous tire failures.
