TO OPEN A NEW BUSINESS

Another new business place will be opened here on Monday June 24, when Stephen K. Estock will open an automobile radiator and window repair shop at the corner of Delta and Henry Sts., at the rear of the Sheetz property.

"Kelly" formerly conducted a shoe repair shop and dry cleaning establishment in town.

**RADIATOR REPAIR SHOP MAY
BECOME A SQUIRE'S OFFICE**

Stephen "Kelly" Estock, who conducted an auto grill and radiator repair shop in Roy B. Sheetz's garage, has discontinued the business and vacated the property.

There is some talk of Squire Arthur B. Hendrix opening an office there after complete renovations.
