AUTO TRUCK RUN WAS A SUCCESS

Auto trade dealers closed Saturday what they believe to have been the most successful truck show ever held in this county, and one of the most successful educational tours of the 100 going on throughout the country during the National "Ship-By-Truck" week.

Starting out on the last day of the tour, the caravan found crowds awaiting them in each town and were received with enthusiasm. The trips were made in record time, always arriving ahead of time for the meeting. Crowds, however, were always present waiting for the trucks to appear.

The truck parade went first to Mountville, then visited Columbia, Marietta, Maytown, Elizabethtown, Mount Joy, Manheim and East Petersburg.

H. S. Rich, banker, delivered an address at the Marietta meeting which was carried out on the minute. Maytown and Elizabethtown were next on the list. At the latter place the party stopped for lunch. At Manheim the meeting was addressed by H. E. Trout, editor of the Manheim "Sentinel," and at Mt. Joy by H. S. Newcomer. All of the speakers emphasized the need of good roads and the supremacy of motor truck transportation.

The caravan started out Thursday as a part of the program of the National Association in conducting an educational tour throughout the county, emphasizing the facilities of ship-by-truck system. Local truck dealers immediately fell in with the suggestion.
