### Geo. Lehman Buys Garber's Tire Shop

Mr. George Lehman, of town, has purchased the retail store of H. E. Garber, 208 East Main Street, here, and will continue the Texaco gasoline business together with the sale of the Goodrich tires on the famous budget plan, in both Mt. Joy and Elizabethtown stores.

Mr. Garber will engage in the wholesale business of Texaco gasoline and Goodrich tires, and will on March 1st, move his business to the former Ed. Ream building, which he recently purchased, at the rear of Newcomer's Service Station.

The office building included in the above transaction, now occupied by Justice of the Peace Arthur Hendrix will be vacated for Mr. Garber's occupancy.
