

No. 81 Juice Extractor

Fruit Juice Extractor

This will remove every drop of juice from oranges, lemons, limes and grape fruit.

Result—a glass of the richest juice without any seeds.

This machine gets the pulp as well as the juice, all the mineral value of the orange, etc.

The Dandy Kitchen Unit

is neat—taking up very little space in the kitchen. Notice how well the unit is built, only the attachment used must be washed.
