Longenecker Est. Farm Sold; Norman Z. Heisey Buys the Miller Property

There were several important realty transactions in our community recently as follows:

Buys Miller Dwelling

Mr. Norman Z. Heisey, who conducts a garage on Main street in the East end of town, purchased at private sale and on private terms from Mrs. Harry E. Miller, the 2 1-2 story frame property she occupies. It is located immediately west of his garage. Possession will be given in the very near future, when the purchaser will occupy same.

Nearby Farm Sold

The John Longenecker Estate has sold at private sale and on private terms a farm of 133 acres half a mile north of town, on the East bank of the Little Chickies creek, in Rapho township. It was purchased by Mr. Martin C. Strauss, of Brownstown. This is an excellent farm, the barn is new, having been rebuilt after being destroyed by fire several years ago. It has been owned by the Longeneckers for the past forty years and prior to that time was owned by the late W. B. Detwiler of this boro.

Mr. Harold Schatz is the present tenant on the farm.
