Nothing takes to the road like a Chevy!

Once in a blue moon a car like this comes along—a design so advanced in performance, so beautifully balanced that it stands out above every other car on the highway.

It has a solid, sure-footed way of going that makes driving safer and more pleasant on any road. And you feel a very special sense of security in its rapid-fire respon-

siveness to your touch on the wheel, brakes and accelerator.

You can see that the '56 Chevy is a standout for style. But until you have driven one you're missing the best part of the news—the fact that Chevrolet is the smoothest, solidest, most wedded-to-the-road automobile you ever bossed. Try it and see.

America's largest selling car—
2 million more owners than any
other make!

You get more car when you buy it . . . more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models!

The "Two-Ten" Sport Coupe with Body by Fisher—one of 20 Chevrolet beauties.
