THE YEAR OF THE TALENT

1977

On Feb. 27, 1977 we launched a 'holy experiment' at St. Mark's Church. We distributed funds to the membership amounting to \$1,000. with the intention of trying out the biblical story of the TALENTS. Over a ten month period we hope to experience a dramatic involvement of people using their God-given talents and abilities to multiply the investments. There will be many individual projects and a number of group projects.

Then on Christmas Day, December 25, 1977, we will be calling in the 'laborers' with the results. The monies therefrom will be used for a special mission undertaking to be named.

It is our fondest hope that this program will stimulate an increased stewardship consciousness, the awareness that OUR TIME, OUR TALENTS, and OUR TREASURES are gifts from God to be used for him.
